

Master of Teaching French as a foreign language

Candidates for enrollment in the Master must take the national competition. This training is prepared over two years with two semesters of courses and seminars (24 UV / $\pm$ 400 h) and one or two semesters devoted to research and writing a dissertation ($\pm$ 100 pages) in French.

Title of teaching units

Table n°1 :

Common units with the license in French language and literature

For students who have followed training other than the license in French language and literature, or having a lower level than that required for the Master's training, it is mandatory to also validate two to twelve teaching units proposed in table no. 1, according to the directives of the educational adviser of the department.
